# CetanOK®

## Advanced Formula Diesel Constituent

*21<sup>st</sup> Century Technology developed in America by West River Chemicals*

### Technical Information

#### Efficiency Optimizer

Quicker start-up. Fuel burns efficiently with CetanOK, boosting cetane and output to optimum levels, and rejuvenating the performance of diesel engines.

#### Mileage Enhancer

CetanOK reduces wasteful fuel consumption, increasing mileage between 5 to 10 % or higher, depending on engine and driving conditions.

#### Emission Suppressor

Promotes drastic reduction or suppression of undesirable by-products of incomplete fuel combustion, such as smoke and smog.

#### Inner Cleanser

Upon continuous application, CetanOK cleans and extends life of inner engine components.

#### Recommended Usage

Use **CetanOK** in diesel engines by mixing 1 gallon of this additive for every Five Hundred gallons of diesel fuel. *Unused CetanOK should be kept closed and water-free in its original container.*

**WARNING:** *This is a flammable product and should be handled with all due care.*

#### Availability

**CetanOK** is available in 5 gallons tall boys, single gallons, and ready-to-use 1 qt and 2 fluid ounce containers.
